STATE OF NEW HAMPSHIRE

Town of Newmarket

To the Inhabitants of the Town of Newmarket in the County of Rockingham in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said town on Tuesday, the 11th day of March, to act on the following subjects:

(POLLS WILL BE OPEN FROM 10:00 A.M. to 6:00 P.M.)

1. To choose all necessary Town Officers for the ensuing year.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year; as may be necessary for General Government including Town Officers' salaries and expenses, election and registration, town buildings, for the protection of persons and property, including the Police Department, for health and sanitation, vital statistics, general expenses of the departments, for education and the public library, for charities, including decoration of soldiers' graves, for recreation, for cemeteries, for indebtedness to other governmental divisions and to pay all other necessary charges arising within said Town.

3. To see if the Town will vote to authorize and empower the Selectmen to borrow money for necessary expenditures; in anticipation of the collection of taxes.

4. To see if the Town will vote to allow a discount of two percent (2%) on all taxes except poll and head taxes, if paid within fifteen days after receipt of bill.

5. To see if the Town will vote to accept the budget as submitted by the Budget Committee.

6. To see if the Town will vote to pay members of the Fire Department \$97.00 in addition to that required by law.

(RECOMMENDED BY THE BUDGET COMMITTEE)

7. To authorize the Selectmen to withdraw the sum of \$9,000.00 from the Public Works Capital Reserve Fund; said \$9,000.00 to be used towards the purchase of a new dump truck and a new rubbish pick-up truck.

*Ind.
postponed*

8. To authorize the Selectmen to enter into an agreement with the State Tax Commission for the reappraisal of all property in the Town of Newmarket.

9. To authorize the Town of Newmarket to borrow \$31,000.00 for the water department's extension of water main on Lee Road, said money to be repaid from water revenue.

10. To see if the voters of the Town of Newmarket will vote to change the term of office of the Town Clerk from one year to three years; as provided for in Chapter R.S.A. 41:16a.

11. To authorize the Selectmen to enter into an agreement with the Federal Government for the purpose of obtaining Federal Funds for the Water Department modernization program.

Given under our hands and seals this 24th day of February, in the year of our Lord, nineteen hundred and sixty-nine.

ROBERT L. FILION
NICHOLAS ZUK
FRANK M. SCHANDA

Selectmen of Newmarket, N.H.

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned by posting an attested copy of the Warrant at the place of meeting within named, and a like copy at the Post Office. Being a public place in said town, on the 24th day of February, 1969.

ROBERT L. FILION
NICHOLAS ZUK
FRANK M. SCHANDA

Selectmen of Newmarket, N.H.

ANNUAL PROGRESS REPORT OF THE SELECTMEN

It is our pleasure to present this annual report for the year 1968.

The year 1968 was a very busy year due to the start of construction on the sewer project in October. In July we had to hold a Special Meeting to get permission to raise more money, advertise for bids, land easements and sale of bonds. Contract "A" was awarded to Pasami Equipment Company, Bow, N.H. for the construction of laterals and force mains. Contract "B" was awarded to Landers & Griffin, Inc., Interstate Highway, Portsmouth, N.H. for the construction of the sewer treatment plant and lift stations.

Eighteen hundred and forty feet (1840) of sidewalk was constructed by our town highway employees on South Main Street to the high school. Three portions of the Main Street sidewalks were re-surfaced and 813 feet on Elm Street.

The Town Hall Offices have been given a coat of paint and a portion of the floor sanded and a finish applied. Also two large radiators were added to the heating system.

Five hundred (500) feet of 6-inch water main was laid on Hersey Lane. The pipe was purchased by the land owners: Mikels, Haines, Walker, and Stevens and installed by the town employees.

Bids were sent this year for a new police cruiser: (Foss Motors, Inc.); plow (R. C. Hazelton Co.); fuel oil (H. R. Haines Co., Inc.); gasoline (Eddie's Service Station); and temporary loans (Rockingham National Bank).

Work was done on one of the bad curves on Bay Road, the road was widened and a bad ledge area was removed.

The Town Road Aid Project on Lang's Lane was worked on again this year. It is hoped that this project can be completed in the near future.

We wish to take this opportunity to thank all the department heads, employees and fellow citizens of Newmarket, who have made our jobs pleasant throughout the year.

The selectmen's meetings are the first and third Tuesdays of each month. We welcome anyone who wishes to attend these meetings.

Respectfully submitted,

ROBERT L. FILION

NICHOLAS ZUK

Board of Selectmen

R E P O R T

of an examination and audit

of the accounts

of the

TOWN OF NEWMARKET

for the fiscal year ended December 31, 1968

made by

THE DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

January 8-10, 1969

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

Summary of Findings and Recommendations

February 7, 1969

Board of Selectmen

Newmarket, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Newmarket for the fiscal year ended December 31, 1968, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Public Library, Municipal Court, and Special Sewer Fund Construction Account. The accounts of the Trustees of Trust Funds were not available for audit during the course of this examination. A separate report will be issued as soon as these accounts are audited.

FINANCIAL STATEMENTS

Comparative Balance Sheets:

December 31, 1967 - December 31, 1968:

(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1967 and December 31, 1968 are presented in Exhibit A-1. As

indicated therein, the Net Debt decreased by \$6,459.99 during 1968, from \$439,465.47 as of December 31, 1967, to \$433,005.48 as of December 31, 1968.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

**Comparative Statements of Appropriations and Expenditures
Estimated and Actual Revenues:
(Exhibits A-3 and A-4)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1968, are presented in Exhibit A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$7,572.29, less a revenue surplus of \$3,781.65, resulted in a net budget deficit of \$3,790.64.

**Summary Statement of Receipts and Expenditures:
(Exhibit B-1)**

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1968, made up in accordance with the uniform classification of accounts, is presented in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1968, is indicated in Exhibit B-2.

Special Sewer Fund Construction Account: (Exhibit G)

A statement of the activity in the special sewer fund construction account during the year is indicated in Exhibit G.

Statement of Long Term Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1968, showing annual debt service requirements, is contained in Exhibit H.

AUDIT PROCEDURES

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements submitted from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$12,540.01 from \$38,034.53 to \$25,494.52 in 1968 as shown herewith:

	Dec. 31, 1967	Dec. 31, 1968
Total Assets	\$659,818.98	\$1,124,034.86
Current Liabilities	621,784.45	1,098,540.34
	<hr/>	
Current Surplus:	\$ 38,034.53	\$ 25,494.52

Overdraft of Appropriations and Application of Municipal Budget Law:

As shown by Exhibit A-4, there was a net overdraft of the 1968 Appropriations in the amount of \$7,572.29, — in

other words, total expenditures exceeded total appropriations by this amount as indicated below:

Overdraft of Appropriations	\$13,862.56
Unexpended Balance of Appropriations	6,290.27
	<hr/>
Net Overdraft of Appropriations	\$ 7,572.29

Included in the net overdraft was an unexpended balance of \$653.77 in the "overlay" assessment. Because the amount of overlay is fixed by the Board of Selectmen, rather than appropriated by the voters at the Town Meeting, the net overdraft of appropriations should be increased by the unexpended balance in the "overlay" assessment, resulting in a net overdraft of budgetary appropriations of \$8,226.06, as shown hereafter:

Net Overdraft of Appropriations	\$ 7,572.29
Add: Unexpended Balance of	
"Overlay" Account	653.77
Net Overdraft of Budgetary	<hr/>
Appropriations	\$ 8,226.06

In cases of this sort, the provisions of the Municipal Budget Law (R.S.A. 32:10) require that the Board of Selectmen, with the approval of the Budget Committee, petition the State Tax Commission for a certificate of emergency which would authorize the expenditures made in excess of budgetary appropriations. The Board of Selectmen confirmed that this procedure was not followed.

Bonds Authorized — Unissued and Bond Anticipation

Notes Payable — December 31, 1968:

Authorized but unissued bonds at December 31, 1968, on account of appropriations for construction of the municipal sewer disposal system, amounted to \$852,000.00.

Pursuant to the provisions of R.S.A. 33:7-a, during the year the Town made bond anticipation loans amounting to \$109,000.00 in order to provide needed funds. These temporary bond anticipation notes, accordingly, will be repaid from the proceeds which will be derived from the sale of the amount of bonds authorized and unissued.

Uncollected and Unredeemed Taxes:

As indicated by Exhibits C-1, C-2, and C-3, a total of \$13,331.45 of delinquent and unredeemed taxes of the levies of 1967 and prior years remained outstanding of the Tax Collector's records as of December 31, 1968, as detailed below:

Uncollected Taxes:

Levy of 1967	\$1,898.56
Levy of 1966	7,258.98
Levy of 1965	1,394.38
Levy of 1964	269.25
Levy of 1963	384.30
Levy of 1962	77.00
Levy of 1961	94.00
Levy of 1960	147.00
Levy of 1959	162.00
	<hr/>
	\$ 11,685.47

Unredeemed Taxes:

Levy of 1965	\$ 354.77
Levy of 1964	1,138.81
Levy of 1963	152.40
	<hr/>
	\$ 1,645.98
	<hr/>
Total	\$ 13,331.45

Inasmuch as many of these taxes now appear to be uncollected, we again recommend that the lists of uncollected and unredeemed taxes be reviewed by the Selectmen and abatements issued wherever required to clear the Tax Collector's warrants for taxes which are considered uncollectible.

The Tax Collector should thereafter take the necessary action to exact payment of the remainder of these delinquent and unredeemed taxes.

**Specified Fiscal Records Required Per Sewer
Grant Contract with Federal Government:**

Attention is directed to the provisions contained in the sewer grant agreement negotiated with the Federal Government. It is mandatory that the accounts of the special sewer construction account be maintained as required therein.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) should be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Newmarket for their assistance during the course of the audit.

Yours very truly,

O. Maurice Oleson, **Director**
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Frederick E. Laplante, Auditor
C. Edward Rainville, Accountant

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Newmarket for the fiscal year ended December 31, 1968. In our opinion, the Exhibits included herewith present fairly the financial condition of the Town of Newmarket on December 31, 1968, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

O. Maurice Oleson, **Director**

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Frederick E. Laplante, Auditor

C. Edward Rainville, Accountant

ANNUAL REPORT OF THE BOARD OF WATER COMMISSIONERS

Weston and Sampson were hired by the Board of Water Commissioners to make a report and study of New-market water system, to provide a long range guide for the improvements required to insure the adequacy of the system and to include future water demand to the year 2000.

A summary of this report by Weston and Sampson has been received and is as follows.

SUMMARY

It is the recommendation of this report that:

Improvements be made to the filtration plant to use Lamprey River water, to provide more effective modern treatment and increase the dependability of service as described for the estimated cost of \$180,000.

A ground water supply be developed on the Bennett Property and be connected to the distribution system for an estimated cost of \$81,000.

New distribution system storage be provided in the form of a 1.0 M.G. ground storage tank on Great Hill at an estimated cost of \$125,000.

Better flow capacities be provided from the storage to supply and the center of the community for fire flow requirements and peak demand periods by the construction of a 16-in main from the proposed storage to the distribution system at an estimated cost of \$74,000.

The distribution system be continuously strengthened by adopting a policy of using only 8-in and larger cement-lined pipe for main extensions and replacements. Smaller diameter water mains should be replaced wherever feasible.

We are this year planning to spend \$31,000 to continue the pipe from the existing line toward the well site on route 152. This to be paid from Water Department Income.

The Water Commissioners wish to take this opportunity to express their appreciation for the excellent cooperation and support that they have received during the past year.

Respectfully submitted,

Board of Water Commissioners

LIBRARY REPORT 1968

At this time we, the Trustees of the Newmarket Library, wish to thank all those who have been of service to the Library this year, and to encourage further use of Library facilities by all townspeople.

Another set of adjustable steel stacks was added to replace the old wooden ones, allowing greater versatility in book arrangement.

During the year, two radiators were found to be malfunctioning and the necessary repairs were made on these.

The Library has also received some gifts this year; one of these was a large oil painting donated by Mrs. Mabel Skinner, which has been hung in the main room of the Library.

The Rockingham Cooperative Extension Service has presented the Library with a copy of the 'Community Planning compiled by the Cooperative Extension Service of the United Development Manual.' This is an extensive reference aid Title I of the Higher Education Act of 1965 and the Sears Roebuck Foundation. The Manual contains helpful information on such topics as the duties and powers of local officials, boards, and committees, and the standards for developing new business, industrial parks, and shopping centers; it emphasizes the importance of looking ahead to the future needs of the community.

A policy statement was prepared this year by the Trustees; this statement sets forth the objectives of the Library, among them, providing a center of information for the community, and supporting and encouraging cultural, educational and civic groups; it also states the policies and standards involved in attaining these objectives.

Our community was saddened, on December 31, by the death of Miss Mary Gordon, who had been our Librarian for twenty-seven years. All those who came to the Library were well-acquainted with her cheerful personality as well as her willingness and capability in helping those who sought help. All of us who knew her feel not only the loss of a faithful community worker, but the very personal loss of a dear friend.

Respectfully submitted,

ELIZABETH GOWEN

PHILIP HENDRICKX

JoANNE HAUSCHEL

Trustees

REPORT OF THE POLICE DEPARTMENT

1968 has been the busiest year ever for your Police Department.

In keeping with the national trend, not only have the number of complaints handled by your department increased, but the seriousness of these complaints have increased.

Narcotics investigation and education have been one of the main problems faced by the department.

Larcenies, breaking and enterings have increased. The men of the department have been involved in four seperate occasions where threats were made with firearms.

In spite of the plea by the men on your police force to citizens to come and visit your department, to find out what is going on, what problems we face, very few have done so.

Again, let us stress the point, we are asking your help and cooperation, we need you.

We are well pleased with the new cruiser. It has proven to be economical, and meets the departments needs perfectly.

The addition of the new radio system connected to the Sheriff's department has been a great help. It has greatly increased the availability of the department.

If you need to contact your department, dial 659-3451. no answer, dial 772-4711. This is the Sheriff's department, and they will contact us by radio. Write these numbers down near your phone and be sure your children, or your baby-sitter knows them. It may save a life.

Respectfully submitted,

PAUL GAHAN

Chief of Police

Drowning	3
Lost Persons	4
False	4
Accidents	1
Miscellaneous	10
Mutual Aid	4

The Newmarket Fire Department fulfills its purpose with speedy efficient response, a standard of training practical for the type and size of the unit, and the best equipment at a price the town can afford.

Back in 1960 the Newmarket Fire Department petitioned the Town of Newmarket to establish a Capitol Reserve Fund to accumulate a financial reserve over a period of years for purchasing large pieces of equipment. The equipment of fire departments is under the watchful eye of the Board of Fire Underwriters, this group sets standards as guide lines. Our present pumper bought in the early 1940s is now classified by them as outmoded.

With the sum accumulated in our Capitol Reserve Fund we want to buy a combination pumper-tanker; 1,000 gallon pump and a 500 gallon tank. In 1970 the Fire Department will petition the voters for permission to expend their Capitol Reserve Fund for purchase of this piece of new equipment.

During routine purchases during the past year the Department acquired 200 ft. 2 ½ inch hose, 200 ft. 1 ½ hose, items of safety equipment, continued maintenance of the fire alarm system and added another transistorized radio monitor.

These radio monitors are for the 154.19 megacycle band used by regional fire departments. Along with our base station, truck radios, portables, and sets on the forestry bank, we have greater communications flexibility whether in or out of town.

The prevention of fire is important year round but becomes even more necessary with the disappearance of snow when we must be even more careful with outdoor fires and fire sources.

The following action is recommended;

1. To teach our own children the danger of lighted matches.
2. To **never discard** lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - A. You need a permit from the town fire warden for **all** debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal braziers in your own back yard is permitted upon notification of the warden.
 - B. The warden is forbidden by regulation to allow burning of household rubbish or grass by householders between 9:00 A.M. and 5:00 P.M.

- C. Have equipment on hand to control any fire **before** you light your match.
4. Promptly report any fire out of control to the fire department . . . 659-3334. For burning permits and information call Fire Warden, Robert S. Keller 659-3286 Deputy Warden, H. J. Philbrick, 659-3216.

Respectfully submitted,

ROBERT S. KELLER, Chief

Assistant Chief, Herbert J. Philbrick

Deputy Chief, Richard J. Butler

Newmarket Fire Department

REPORT OF THE PLANNING BOARD

1968 was an eventful year for the Planning Board in Newmarket.

At Town Meeting the townspeople voted for a Comprehensive plan, and appropriated three thousand dollars, half of its cost (the other half to be appropriated at Town Meeting this year).

This plan when completed will enable the Town to participate in the many Federal programs that are available to small community's and thus become the recipient of Federal funds for projects in the future.

Equally important the comprehensive plan will give everyone a chance to look into the future of Newmarket, and it will help to plan the community in a definite direction.

Second in importance was the unanimous vote at the special Town Meeting in July enabling the planning board to join with Portsmouth in a regional planning agency. This will enable the Town to get professional planning help in the future. It will enable the Town to work closer with its neighbors in a regional concept and will provide future Federal aid to the Town on a regional basis.

A letter was sent out to the neighboring towns of Lee, Newfields, and Durham expressing willingness to work together on future planning.

The Board sponsored a meeting for the Small Business Administration and the business men of the community and the benefits of this organization were presented.

As a result of this meeting the business men formed a study committee to work with the planning board on future action that could be taken.

The planning board chose Hans Klunder Associates of Hanover, N.H. to make our comprehensive plan, after careful study of several consultants.

The chairman and secretary were able to attend a ten week course on Community Planning at St. Anslem's College.

Ten meetings were held and expenditures were \$120.00.

Respectfully submitted,

GEORGE E. GRISWOLD,

Chairman of the Planning Board

NEWMARKET CIVIL DEFENSE

During the past two years, individual participation from local citizens has not been as active as we would like to have it. Even without this outside support, however, your local Civil Defense unit has been performing its function to keep Newmarket up to date with the State of New Hampshire's Civil Defense requirements.

All departments of the local government are units of Civil Defense: Highway, Fire, Police, Water Works, Selectmen. We have in the past two years bought radios for the Highway Department and obtained a local frequency issued by the Federal Communications Commission, so that all these vehicles are in communication with a base station in the Town Hall Office. In addition to this, we also have truck-to-truck communication. Last summer a radio was purchased for one of the Fire Department trucks, and two years ago, funds were allocated to the Police Department to help purchase their base station, which is in communication with the Sheriff's Department.

Surplus property has been available and purchased at a great saving to the town. This surplus property is distributed among local town departments for their use. Your local director has to account for the property and keep inventory sheets as to where it has been issued.

We are planning for 1969:

1. A Medical Self-Help course.
2. An Auxiliary Police school.
3. Radiological Defense Training.
4. At least four public meetings at the Town Hall for those interested in Civil Defense.

With these last four goals in mind for 1969, I am looking forward to better participation in our local Civil Defense.

Sincerely,

GEORGE HAUSCEL

Civil Defense Director

OYSTER RIVER HOME HEALTH ASSOCIATION

1 Madbury Road

P. O. Box V

Durham, New Hampshire 03824

Phone 868-5055

REPORT FOR 1968

The Oyster River Home Health Association is a visiting nurse agency serving the Towns of Durham, Lee, Madbury and Newmarket. Incorporated on February 27, 1967 as a non-profit organization to serve Durham, Lee and Madbury, it later adjusted its by-laws at the April, 1968 annual meeting to allow the Town of Newmarket to become a participating member with equal representation on the Board of Directors and proportionate sharing in the financial support of the agency.

The Board of Directors consists of five representatives from each Town. Included in the standing committees are physicians, registered nurses, a registered physical therapist, registered dietitian, an attorney and lay persons. The administrative nurse is Miss Loretta J. Stutz, R.N., and the physical therapist is Mrs. Mary Louise McGill, P.T. The office is at No. 1 Madbury Rd., Durham, where the nurse can be reached Monday through Friday, 868-5055, from 8 A.M. to 4 P.M., or through one's own physician.

Funds for the support of the Association come from grants from the N. H. Department of Health and Welfare, contributions from organizations and individuals, membership fees, and funds voted by the four Towns. Membership is available at a minimum fee of \$1.00. Memberships and contributions are tax deductible.

The officers are: President, Mrs. Georgia G. Armitage, Madbury; Vice-President, Dr. John C. Robshaw, Newmarket; Treasurer, Mr. Everett B. Sackett, Lee; Secretary, Mrs. Mildred W. Harmon, Durham.

Continued support from the four Towns through appropriations to be voted at the 1969 Town Meetings is anticipated.

Report of the Administrative Nurse
